HANDCRAFTED FOR YOU.

DOOR STYLE SELECTION GUIDE

EXPLORE A WORLD OF CHOICES

Whether your preferences are casual, traditional or modern, Medallion has a door style perfectly suited for you.

Door styles are grouped into four categories of distinctive design variations: Flat, Raised, Beaded and Specialty.

Once you've chosen your door style favorites, ask a Menard's Team Member about our beautiful color palette.

Wyndham Maple Chai Latte Classic*

FLAT PANEL DOORS

This door style is simple yet stylish—providing subtle dimensional detail with a recessed center panel captured by an outside frame. Flat panel doors offer a wide range of styles—from shaker to cottage and transitional to modern. Pair with a wide variety of wood species and finishes for a design that is unique to your taste and home.

BEADED PANEL DOORS

This style offers lighthearted personality for Casual to Cottage style categories, providing dimensional detail with a recessed beaded pattern center panel captured by an outside frame. Beaded panel door styles are great for accenting Flat or Raised Panel door styles and for lending charming character to any design.
